ALEX CHEN

San Francisco, CA | alex.chen.fake@example.com

OBJECTIVE: AI Engineering Intern focused on automation and LLM pipelines.

EDUCATION: UC Berkeley, B.S. in Computer Science (Expected May 2026)

SKILLS: Python, Anthropic Claude API, Prompt Engineering, n8n, Webhooks, REST APIs, pypdf, Git

EXPERIENCE:

- Built AI resume screening prototype with Claude API and n8n webhook triggers.
- Implemented Python pipelines for structured JSON outputs and automated evaluation.
- Integrated REST APIs with error handling and rate-limit backoff.
